

From Rev. Tim Hamilton: COVID Bereavement Groups

Kaiser Permanente has established some Covid specific bereavement groups that are open to the public. A person does not need to be a member of Kaiser Permanente to attend these call in groups, and these are provided at no cost. If you know anyone that might benefit, and has experienced the death of a loved one due to Covid, feel free to pass on this info.

LOS ANGELES MEDICAL CENTER

COVID-19 Bereavement Support Groups

We are here to support you.

We are deeply sorry to hear about the recent passing of your loved one due to COVID-19. We know this is a difficult time for you as you mourn your loss. At Kaiser Permanente Los Angeles Medical Center, we are here for you and would like to offer you a bereavement support group.

Information on support groups available:

- Groups begin the week of August 17, 2020.
- All groups will be offered virtually.

Please contact us:
