

“Tend The Folks On Your Field (Even the Weeds)”

Dear Saints,

10-18-2026

As you know, we started our annual Stewardship Sermon Series last Sunday. It's entitled, Stewardship - Not What You Think! Last week, our focus was on shifting our thinking from "ownership" of what we have to "managers" of what we have. I was intrigued with the meaning of the original Greek word for stewardship, "house manager of someone else's property." That's a powerful thought! We are called to be "house managers" of all God has given us.

This Sunday, we will continue the sermon series with a message about our stewardship of relationships. Pastor Bam Noriega will bring the message.

I'm looking forward to our annual Fall Congregational Meeting in two weeks. Please mark your calendars! As you read the reports and review our budget, I know you will be blessed by all the ministry that is happening inside our church and "outside the walls."

One last thing: I want to say a big THANK YOU to Desiree Downs, who has been our "White Wall" for months now. During this season that ICE and Homeland Security are again ramping up their arrests, please be careful. It is likely a stunt to keep people away from the voting booths, but it can happen anywhere. Please keep your eyes open at all times. I want you all to be safe.

God bless.

Pastor Keith
